NAAC	CRITERIA – I	METRIC 1.4.2

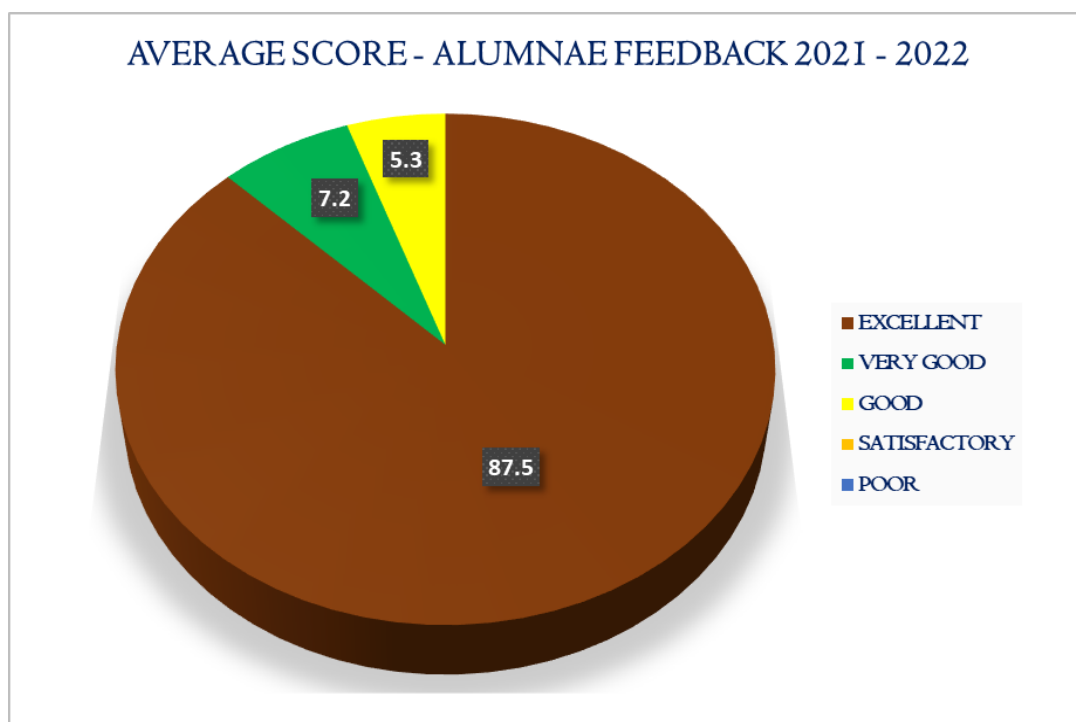

Figure 2

On an average 87.5% alumni are Excellent 7.2% are Very Good and 5.3 % are Good with the ongoing syllabus, faculty and institution ambience of our college. The same is depicted pictorially in Figure.2

Alumnae Feedback Analysis Report

The following are the suggestions given by the Alumnae

- Different kinds of assessment methods can be used
- The student may select interdisciplinary theoretical papers in post graduate level.
- Campus Wi-Fi facilities can be made available to pupils to encourage ICT-enabled learning.

Conclusion

Data collection is an important process in any sector which helps to analyze where we are, and by analyzing data resolving the issues helps to become even better. So the institution collects feedback from four different stakeholders and their responses will be analyzed to take right action.

	DHANALAKSHMI SRINIVASAN COLLEGE OF ARTS AND SCIENCE FOR WOMEN (AUTONOMOUS) (Affiliated to Bharathidasan University, Tiruchirappalli) (Nationally Re-Accredited with 'A' Grade by NAAC) Perambalur – 621212

NAAC	CRITERIA – I	METRIC 1.4.2

On an average 71.38% of them are Excellent, 12.5% are Very Good, 9.12% are Good and 7% are Satisfactory with the current prospectus of the programme and the same is represented in Figure 2

Employer Feedback Analysis Report

The following are the recommendations made by the employers that are listed below:

- Curriculum needs to be more focused on an industrial need.
- Students need to be aware of current technology in their domain.
- Recruiters gave positive comments on student ability on core domain and suggested to improve their communication ability.

At the departmental level, the employer feedback is examined, and subsequent actions are planned to be done. Additionally, the notable recommendations are discussed in IQAC meetings, evaluated at the institutional level for every programme, and the necessary actions are then done.

Conclusion

In order to analyze where we are and to identify problems, data collection is a crucial process in every industry. By analyzing data, problems can be identified and solved, making things even better. In order to make the correct decisions, the institution solicits feedback on the curriculum from our different stakeholders.

NAAC	CRITERIA – I	METRIC 1.4.2

On an average 82.75% of them are Excellent, 9.625% are Very Good, 6.375% are Good and 1.25% are Satisfactory with the current prospectus of the programme and the same is represented in Figure 2.

Faculty Feedback Analysis Report

The recommendations made by the faculties listed below are as follows.

- Faculty research efforts can be increased and motivated by offering research incentives.
- The ratio of students should be raised and entrepreneurship and startups should be promoted.
- Students can attend coaching sessions to prepare them for Government Jobs.
- Conducting programmes to educate women about legal welfare legislation and other issues relating to gender sensitization has been suggested.

Conclusion

The process of collecting data is crucial in every college because it allows us to assess our current situation and, by using that information to address problems, make progress in that area. In order to take the appropriate action, the institution solicits curriculum feedback from our distinct stakeholders.

On an average 91.33% of them are Excellent, 4.33% are Very Good, 3.17% are Good and 1.17% are Satisfactory with the current ambience of Hostel and Transport and the same is represented in Figure 8.

Student Feedback Analysis Report

The following list contains the student recommendations from various departments.

- Increase the number of Skill-Oriented training programmes.
- Slow learners require more care, and counselling can be given to help them learn more effectively.
- Placement training can be mandated for all the students.

Conclusion

The feedback from the stakeholders is collected by IQAC, thoroughly examined, and then given to the appropriate departments for further action with management permission.
